The Honorable Rosa De Lauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Chauncey Sewer System Replacement. The entity to receive this funding is the Village of Chauncey located at 42 Converse Street, Chauncey, Ohio 45719. The funding would be used to finish the replacement of antiquated sewer lines installed in the 1940's. The project is an appropriate use of taxpayer funds because it will alleviate all inflow, infiltration, and leaking issues within the system main to maintain required safety standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
