Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Northern Perry County Water & Wastewater Waterline Project in fiscal year 2024. The entity to receive funding for this project is Northern Perry County Water & Wastewater, located at 130 South Main St., New Lexington, OH 43764. Funding for this project will be used for phase 6 of a waterline project to extend water service to customers not currently covered by the water district. The project is an appropriate use of taxpayer funds because many of the residents who live in the area of the proposed waterline are currently using wells, cisterns, or springs. The quality of this water is more difficult to control and therefore contaminants are often present.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
Member of Congress
