The Honorable Rosa De Lauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Sunbury Parkway Phase D in fiscal year 2026. The entity to receive this funding is the City of Sunbury located at 9 East Granville Street, Sunbury, Ohio, 43074. The funding would be used to increase the capacity of the Interstate 71 interchange at US 36 and SR 37. The project is an appropriate use of taxpayer funds because Sunbury Parkway provides critical connectivity to the local roadway network to the East and improve response times for local emergency vehicles to reach their destinations.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Troy Balderson
