Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Main Street Corridor Improvement Plan in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Mansfield and the project is located at Main Street, Mansfield, OH 44902. The funding is designated for the reconstruction of Main Street, and the surrounding sidewalks and curbs.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by constructing an additional lane along Main Street in the center of downtown Mansfield. Currently, there is a one mile stretch of Main Street in the city's central business district that is a one-way street. This project will convert the one-way street to a two-way street that better supports the businesses and pedestrian traffic in the area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Troy Balderson
Member of Congress
