The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Franklin County Engineer's Office Reynoldsburg-New Albany Road at Havens Road Project in fiscal year 2022.

The entity to receive the funding for this project is the Franklin County Engineer's Office, located at 970 Dublin Road, Columbus, OH 43215. The project itself is located at the intersection of Havens Road and Reynoldsburg-New Albany Road, Blacklick, OH 44047.

This funding would be used to install a multi-lane roundabout at the intersection of Havens Road and Reynoldsburg-New Albany Road, as well rehabilitating and widening the existing bridge on Havens Road over Blacklick Creek to accommodate pedestrian infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---

Troy Balderson  
Member of Congress
